

## Scientific Recognition: World Population

### Awards

#### Jesus Crespo Cuaresma

- 2018 WU City of Vienna Best Paper Award: Crespo Cuaresma J, Danylo O, Fritz S, McCallum I, Obersteiner M, See L, & Walsh B (2017). Economic Development and Forest Cover: Evidence from Satellite Data. *Scientific Reports* 7: art.no.40678

#### Wolfgang Lutz

- 2018 WU City of Vienna Best Paper Award: Lutz W (2017). Global Sustainable Development priorities 500 years after Luther: Sola schola et sanitate. *Proceedings of the National Academy of Sciences* 114 (27): 6904-6913

### Invited lectures

#### Guy Abel

- Education-specific labor force projections for EU 28 countries. Joint Research Centre (JRC) Workshop on Demographic scenarios for the EU: Investigating the role of migration, Brussels, Belgium, April 2018.

#### Arda Aktas

- Educational differentials in longevity expectations: Who benefits more from retirement? Annual Meeting of Population Association of America (PAA), Denver, USA, April 2018 and European Population Conference (EPC), Brussels, Belgium, June 2018.

#### Bilal Barakat

- How the education goal relates to the other Sustainable Development Goals. Leopoldina Symposium on Brain power for sustainable development. The cognitive preconditions for a successful sustainability transition, Berlin, Germany, June 2018.

#### Alain Belanger

- Microsimulations for assessing the integration of migrants in the EU. Joint Research Centre (JRC) Workshop on Demographic scenarios for the EU: Investigating the role of migration, Brussels, Belgium, April 2018.

#### Stephanie Bengtsson

- The fifth 'P' of the sustainable development agenda: Towards a "revitalized global partnership for sustainable development" in and through education. Comparative and International Education Society (CIES) conference on Re-Mapping Global Education: South-North Dialogue, Mexico City, Mexico, March 2018.
- The fourth 'P' of the sustainable development agenda: Towards "peaceful, just and inclusive societies" in and through education. British Association for International and Comparative Education (BAICE) 20th Anniversary Symposium on Sustainability, Peace and Education – Exploring Promise and Practice, Bristol, UK, May 2018.

#### Melissa Caldeira Brant de Souza Lima

- The effects of child marriage and teenage pregnancy on girls' schooling: Evidence from Latin America; Education financing in Brazil and quality outcomes: An analysis for the period 2011–2015. Comparative and International Education Society (CIES) conference on Re-Mapping Global Education: South-North Dialogue, Mexico City, Mexico, March 2018.
- Child marriage, teenage pregnancy and girls' education: Evidence from Latin America and lessons from the UK. European Population Conference (EPC), Brussels, Belgium, June 2018.

#### Jesus Crespo Cuaresma

- Global education expansion and poverty reduction. Leopoldina Symposium on Brain power for sustainable development. The cognitive preconditions for a successful sustainability transition, Berlin, Germany, June 2018.

#### Anna Dimitrova

- Too much rain, too little rain: Impacts of climate variability on child and adult health in Sub-Saharan Africa; Quantifying the evidence on environmental migration: A meta-analysis on country-level studies. Annual Meeting of Population Association of America (PAA), Denver, USA, April 2018 and European Population Conference (EPC), Brussels, Belgium, June 2018.

**Dalkhat Ediev**

- Projecting elderly populations in an aging society: Methods and issues. Institute of Statistics and Cartography of Andalusia, Seville, Spain, May 2018.

**Alexia Fürnkranz-Prskawetz**

- The impact of reducing the pension generosity on schooling and inequality. Economic Workshop of the Faculty of Business and Economics, University of Würzburg, Germany, October 2018.

**Anne Goujon**

- The role of religion in shaping future populations. Workshop on Migration and aging in the context of demography: Equality and wellbeing JPI Program, Lund, Sweden, May 2018.
- Education-specific labor force projections for EU 28 countries. European Population Conference (EPC), Brussels, Belgium, June 2018.
- Religious demography: What is it about and why do we need it? Seminar at the Centre for Economic Demography, Lund University, Lund, Sweden, November 2018.
- Assessing the 2017 population census of Pakistan using demographic analysis: A sub-national perspective. 19th Annual Population Research Conference of the Population Association of Pakistan, Peshawar, Pakistan, November 2018.
- Migration and projections: What are the impacts? Seminar on Migration and forecast, Lund, Sweden, December 2018.

**Endale Kebede**

- The relative protective effect of parental education and household wealth under the shadow of drought: Evidence from rural Ethiopia. European Population Conference (EPC), Brussels, Belgium, June 2018.

**Michael Kuhn**

- Health insurance, endogenous medical progress, and health expenditure growth. Lecture in the Economics Seminar Series, Passau, Germany, December 2018.

**Anastasia Lijadi**

- Empowered life years: New comprehensive wellbeing indicator to serve as sustainability criterion; Adjusting quality of life: Narrative from repatriated families with third culture kids. 16th Annual Meeting of the International Society for Quality-of-Life Studies, Hong Kong, June 2018.
- Fundamental differences between life satisfaction and happiness as measurement of subjective wellbeing: World perspective. Department of Education and Psychology (SCIFOPSI) International Conference on Healthier societies fostering healthy organizations: A cross-cultural perspective, Florence, Italy, August 2018.

**Elke Loichinger**

- Education-specific labor force projections for EU 28 countries. Joint Research Centre (JRC) Workshop on Demographic scenarios for the EU: Investigating the role of migration, Brussels, Belgium, April 2018.

**Wolfgang Lutz**

- Demographic scenarios by age, sex, and level of education for all countries with a specific focus on the EU – The Centre of Expertise on Population and Migration (CEPAM) 2018 Assessment. Workshop on Demographic scenarios for the EU: Investigating the role of migration, Brussels, Belgium, April 2018.
- Migration in the context of global demographic developments [Migration im Kontext globaler demografischer Entwicklungen]. Berlin Demographic Forum (BDF), Berlin, Germany, April 2018.
- Population and climate change (keynote). International Sociological Association (ISA) conference on Changing demography. Changing families, Singapore, May 2018.
- Brain power for sustainable development. Leopoldina meeting on Economic and social research, Munich, Germany, May 2018.
- Brain power: An introduction. Leopoldina Symposium on Brain power for sustainable development. The cognitive preconditions for a successful sustainability transition, Berlin, Germany, June 2018.
- Future migration scenarios in the context of global population trends. Seminar on Global population growth and migrations, Turku, Finland, August 2018.
- Population and sustainable development: Synergies between the International Conference on Population and Development (ICPD) and Agenda 2030. United Nations Economic Commission for Europe (UNECE) Regional Conference on ICPD+25, Geneva, Switzerland, October 2018.
- Global population trends and the challenges arising from imbalances. IIASA/United Nations Population Fund (UNFPA) panel discussion on Is Europe facing a population crisis?, Vienna, Austria, October 2018.

- World population change – future dynamics. Plenary session of the Pontifical Academy on Transformative roles of science in society: From emerging basic science toward solutions for people’s wellbeing, Vatican, November 2018.
- Population trends and the global sustainable development goals. Invited lecture at the Research Center for Molecular Medicine of the Austrian Academy of Sciences (CeMMT/OeAW), Vienna, Austria, December 2018.

### **Guillaume Marois**

- Microsimulations for assessing the integration of migrants in the EU. Joint Research Centre (JRC) Workshop on Demographic scenarios for the EU: Investigating the role of migration, Brussels, Belgium, April 2018.
- Microsimulation methods for multidimensional population projections in Europe. Workshop on Uncertainty and complexity of migration, London, UK, November 2018.

### **Raya Muttarak**

- A systematic review of empirical evidence on migration influenced by environmental change in Africa. Joint Research Centre (JRC) Workshop on Demographic scenarios for the EU: Investigating the role of migration, Brussels, Belgium, April 2018.
- Environmental sociology and vulnerability. Leopoldina Symposium on Brain power for sustainable development. The cognitive preconditions for a successful sustainability transition, Berlin, Germany, June 2018.
- Explaining the link between education and green behavior in the Philippines: The role of knowledge and climate change perception. European Population Conference (EPC), Brussels, Belgium, June 2018.

### **Patrick Sabourin**

- Microsimulations for assessing the integration of migrants in the EU. Joint Research Centre (JRC) Workshop on Demographic scenarios for the EU: Investigating the role of migration, Brussels, Belgium, April 2018.

### **Nandita Saikia**

- Socioeconomic disparity in adult mortality in India: An application of the orphanhood method in the India Human Development Survey. 9th Demographic Conference of Young Demographers, Prague, Czech Republic, February 2018.
- The trajectory of gender disparity in health across life course: The case of Indian women. Indian Institute of Public Administration Seminar on Poverty and social exclusion: A life course perspective, New Delhi, India, April 2018.
- Gender and mortality: Does the female survival advantage really exist in India? Center for Demographic Research, Louvain-la-neuve, Belgium, June 2018.
- Social gradients in adult mortality in India: Application of the orphanhood method in Indian human development surveys; Gender difference in post-neonatal mortality by type of family in rural South Asia. European Population Conference (EPC), Brussels, Belgium, June 2018.
- Patterns and risk factors for deaths from external causes in India: Analysis of a nationally representative population-based survey. British Society for Population Studies (BSPS) conference, Winchester, UK, September 2018.

### **Serguei Scherbov**

- Reconceptualization of aging in China. Hong Kong University of Science and Technology, Hong Kong, May 2018.
- Aging in the world: Aging demographic datasheet 2018. Asian Conference on Aging and Gerontology 2018 (AGEN2018), Kobe, Japan, June 2018.
- Characteristics-based approach to define ‘old age’. 4th General Assembly meeting of the Aging Trajectories of Health: Longitudinal Opportunities and Synergies (ATHLOS) project, Vienna, Austria, June 2018.
- Handgrip strength and remaining years of life: Defining a threshold below which a weak grip starts to substantially increase mortality risks. 4th Asian Population Association Conference, Shanghai, China, July 2018.
- New look at aging. The 2018 Chulalongkorn Asian Heritage Forum: Culture of longevity under patronage of H.R.H Princess Maha Chakri Sirindhorn, Bangkok, Thailand, August 2018.
- Remeasuring aging. Presentation at the UN Population Division, New York, USA, November 2018.

### **Nadia Steiber**

- Intergenerational social mobility and health across the life course: Does the long arm of childhood conditions become visible only in later life? European Population Conference (EPC), Brussels, Belgium, June 2018 and 4th Asian Population Association Conference, Shanghai, China, July 2018.

### **Erich Striessnig**

- Spatial projections of age-structured populations. European Population Conference (EPC), Brussels, Belgium, June 2018.

- Spatial projections of age-structured populations; Spatial dimensions of family structure: Children's living arrangements over time and space in Europe. 4th Asian Population Association Conference, Shanghai, China, July 2018.

### **Dilek Yildiz**

- A Bayesian approach on reconstructing multistate population and education specific fertility rates. Annual Meeting of the Population Association of America (PAA), Denver, USA, April 2018 and European Population Conference (EPC), Brussels, Belgium, June 2018.
- A new era for migration data. Euroscience Open Forum (ESOF), Toulouse, France, July 2018.
- Global projections of in- and out-migrants by educational attainment. British Society for Population Studies (BSPS) conference 2018, Winchester, UK, September 2018.

## Organized events

### **Samir KC and Marcus Wurzer**

- 2nd Asian MetaCenter's hands-on workshop on Modeling and projecting sub-national population trends. Asian Demographic Research Institute (ADRI), Shanghai University, China, January 2018.

### **Michael Kuhn**

- 2018 Annual Conference of the Austrian Economic Society (NoeG): The future of health care systems

### **Wolfgang Lutz**

- Wittgenstein Centre Conference 2018/3rd Human Fertility Database Symposium on Fertility across time and space: Data and research advances, Vienna, Austria, December 2018.

### **Serguei Scherbov**

- Training course on Demographic analysis with application to an aging society, College of Population Studies, Chulalongkorn University, Bangkok, Thailand, November 2018.

## Advisory boards

### **Guy Abel**

- Member of the Scientific Committee of the International Organization for Migration (IOM) Research Leaders Syndicate
- Member of the Scientific Committee of the International Union for the Scientific Study of Population (IUSSP) Panel on Big Data and Population Processes
- Member of the Scientific Committee of the International Union for the Scientific Study of Population (IUSSP) Panel on International Migration: Strengthening the Knowledge Base for Policy

### **Alexia Fürnkranz-Prskawetz**

- Member of the "Kommission für die Vergabe der Auszeichnung der besten Publikation", Austrian Academy of Sciences (ÖAW), Vienna, Austria
- Member of the International Union for the Scientific Study of Population (IUSSP) Panel on Microsimulation and Agent-based Modeling in Demography
- Founder member of the European Doctoral School of Demographic Research, Max Planck Institute for Demographic Research, Rostock, Germany
- Member of the Austrian Academy of Sciences (KIÖS) Commission for interdisciplinary ecological studies, Austrian Academy of Sciences (ÖAW), Vienna, Austria
- Member of the Kommission für Migrations- und Integrationsforschung, Austrian Academy of Sciences (ÖAW), Vienna, Austria
- Member of the Kommission für die Verleihung des Dissertationspreis für Migrationsforschung, Austrian Academy of Sciences (ÖAW), Vienna, Austria
- Fellow of the World Demographic Association
- Member of the Austrian Science Fund (FWF) Kuratorium
- Member of the Steering Committee "Rostocker Ring", Max Planck Institute for Demographic Research, Rostock, Germany
- Member of the Board of Governors of the Population Europe Information Centre, Berlin, Germany
- Member of the Wissenschaftliche Kommission: Demografischer Wandel, Leopoldina-German Academy of Sciences
- Member of the Scientific Advisory Board of the Population and Policy Database
- Member of the Beirat of ECO Austria
- Member of the Beirat of Gesellschaft für Zukunftssicherung und Altersvorsorge – Denkwerstatt St. Lambrecht

- Member of the Forschungsbeirat at Leibniz-Institute for Economic Research (RWI), Essen, Germany
- Member (Ersatzmitglied) of Studienkommission Technische Mathematik
- Member of the Scientific Advisory Board – Österreichische Plattform für interdisziplinäre Altersfragen (ÖPIA)
- Member of the Board of the Austrian Economic Association (NOeG)

### Anne Goujon

- Member of the Scientific Advisory Board of the *Social Policy and Law Shared Database (SPLASH)* at the Max Planck Institute for Social Law and Social Policy

### Michael Kuhn

- Member of Scientific Advisory Board for MBA program "Health care management", Medical University Vienna, Austria
- Member of Field Committee on "Population Economics", Verein für Socialpolitik
- Member of Field Committee on "Health Economics", Verein für Socialpolitik

### Wolfgang Lutz

- Member of the "Group of Independent Scientists" invited by the United Nations Secretary General to produce the 2019 Global Sustainable Development Report
- Member of the International Panel on Social Progress Rethinking Society for the 21st Century
- Member of the Scientific Advisory Board of the Institute for Health Metrics and Evaluation (IHME)
- Member of the Board of Directors (Stiftungsrat), Berlin Institute for Population and Development
- Member of the Board of Trustees (Kuratorium), Federal Institute for Population Research

## Editorships

### Guy Abel

- Editorial Board Member, *Journal of Applied Spatial Analysis and Policy*
- Editorial Board Member, *Asian and Pacific Migration Journal*

### Bilal Barakat

- Managing Editor, *Vienna Yearbook of Population Research*

### Jesus Crespo Cuaresma

- Editor, *German Economic Review*

### Dalkhat Ediev

- Assistant Editor, *GENUS*
- Member of the Expert Panel, *Elsevier*

### Alexia Fürnkranz-Prskawetz

- Associate Editor, *Journal of Demographic Economics*
- Associate Editor, *Journal of the Economics of Ageing*
- Member of the Advisory Board, *Population and Environment*
- Associate Editor, *Vienna Yearbook of Population Research*
- Member of the Scientific Committee, *Genus*

### Anne Goujon

- Editor, *VID WP Series*
- Member of the Editorial Board, *Journal of Religion and Demography* (Brill)
- Member of the Editorial Board, *Population and Societies* (INED)

### Michael Kuhn

- Guest Editor, *Empirica* (Conference Issue)
- Associate Editor, *Journal of the Economics of Ageing*

### Anastasia Lijadi

- Editorial Board Member, *International Journal of School & Educational Psychology* (IJSEP)
- Editorial Board Member, *Journal of Psychological Research*

**Wolfgang Lutz**

- Editor, *Vienna Yearbook of Population Research*
- Editorial Committee Member, *Asian Population Studies*
- Editorial Committee Member, *Journal of Population Ageing*
- Editorial Board Member, *Demographic Research*
- Editorial Board Member, *European Population Studies*
- Editorial Board Member, *Canadian Studies in Population*
- Advising Board Member, *Population and Development Review*

**Erich Striessnig**

- Editor, *VID WP Series*
